

Is our 3 Baby "No Hassle Pack"

Good Value for Money?

3 x Quality 15" Laptops

Purchase Cost: \$5099.00

Years of Service: 3 to 4 years

Most computers in a schools' lab will be obsolete within 4 years.
Over a 10 year period the computer will be replaced 2.5 times.

Approximate Cost for 10 Years:

\$4175 per computer

Doesn't include any extra software ie: MS Office, Adobe Photoshop etc.

versus

3 Baby "No Hassle Pack"

List Price: \$4997.00

Years of Service: 12 years +

Many of our babies are still in operation
after more than 12 years.

Approximate Cost for 10 Years:

\$1666 per Baby

Please Consider this:

\$1666 / 10 years = \$166 per year

\$166 / 40 weeks per year = \$4.15 per week

\$4.15 / 3 Students per week = **\$1.38 per Student**

for the experience of a lifetime

Plus!! A computer wont:

Increase Parenting Skills

Help reduce unplanned pregnancies

Provide a realistic hands-on experience
